BOROUGH CLERK  
BOROUGH OF FAR HILLS  
6 PROSPECT STREET  
FAR HILLS, NJ 07931

EXPLANATION: This Ordinance amends Ordinance No. 2012-14 to update and revise the permit requirements, fees and general regulations for special events to which large numbers of attendees are invited thereto within the Borough of Far Hills.

**BOROUGH OF FAR HILLS  
ORDINANCE NO. 2017-09**

AN ORDINANCE AMENDING ORDINANCE NO. 2012-14 TO UPDATE AND AMEND THE PERMIT REQUIREMENTS, FEES AND GENERAL REGULATIONS FOR THE HOLDING OF SPECIAL, LARGE EVENTS WITHIN THE BOROUGH OF FAR HILLS.

**BE IT ORDAINED** by the Mayor and Borough Council of the Borough of Far Hills, in the County of Somerset and State of New Jersey as follows:

**Section 1.** Ordinance No. 2012-14 is hereby supplemented and amended to read as follows: (deleted language in ~~double-strikethrough~~, additional language in **bold and underlined**):

**SPECIAL EVENTS.**

**Article I Findings.**

- a. The Borough of Far Hills has been the site for the staging of various special, large events; and
- b. Special, large events are generally viewed as beneficial to the Borough, its residents, the County, and the State; however, places a burden on the Borough and its services and facilities to maintain order, to protect safety of participants and spectators, to maintain the flow of traffic over public roadways, and to protect public and private property from damage occurring during the course of such events; and
- c. Various special events occurring within the Borough, particularly certain equestrian and charitable events, are widely publicized and large numbers of participants and spectators attend the same; and
- d. The Mayor and Borough Council have determined that the establishment of regulations on such special, large events as set forth in this Ordinance are necessary to protect public health, safety and welfare of the Borough; and
- e. The purpose of this Ordinance is not to permit uses which are not allowed pursuant to the Borough's Land Management Ordinances, but rather to regulate only those special, large events permitted within certain zone districts.

**Article II Large Event Permit Required.**

- a. The Borough of Far Hills requires a permit for any event which is anticipated to have ~~one thousand~~ five hundred (~~1,500~~) people or more on any day, which includes:

participants, spectators, employees, caterers and any other individual to be located on the site of the event. Requirements for such permit application are set forth in subsection Article III hereof. Failure to obtain a permit required herein will result in the inability to hold the event. The holding of an event which is subject to the requirement of a permit, without obtaining such permit, shall constitute a violation of this Ordinance. ~~Events sponsored by the Borough of Far Hills, the Board of Education, and/or volunteer emergency organizations servicing the Borough of Far Hills may request a waiver of the requirements of the permit requirements required under this Ordinance, upon receipt and review of a brief description of the event by the Borough Clerk and approval of the Borough Council.~~

- b. The Borough Clerk is the municipal official to receive all permit applications pursuant to Ordinance. Upon receipt of the aforesaid permit application, the Borough Clerk shall have the application reviewed by the Borough Police Department, Fire Official, Health Officer, **Construction Code Official**, Zoning Officer, and the Borough Engineer, if necessary, for compliance of the requirements of this Ordinance and the Borough's Land Management Ordinances.
- c. The issuance of all permits is subject to the review and approval of Borough officials for compliance with the regulations set forth herein. Any violation of the regulations set forth in this Ordinance, or the failure to obtain approval of the Borough officials, will result in a denial of the permit application.
- d. Upon review of the permit application, the Borough officials shall determine if the requested location for the event has the capacity to adequately accommodate the anticipated number of people to be in attendance at such event. If it is determined that the location does not have adequate capacity to accommodate the anticipated number of attendees, then such permit application shall be denied. The denial of a permit based on the size of the location may be appealed to the Borough Council for their review and decision.
- e. Upon recommendation by the Borough officials, all applications for permits shall be granted or denied by the Borough Council. All applications shall require an appearance in support of the application by the applicant, organizer and property owner, if different, before the Borough Council, at a public hearing of the Council during which the permit application is being considered.
- f. Permit applications required hereunder are considered public records, and are available to the public at the Borough Clerk's office during the times the Borough is open to conduct business.

### **Article III Permit Application Forms; Fees.**

- a. Large event permit applications, in the form provided by the Borough, shall be filed with the Borough Clerk, including, without limitation, the information and documentation identified in Section III(c) hereinbelow, ~~and all applicable municipal, county and State permits such as those identified in Section V(j) hereinbelow,~~ submitting six (6) copies of the completed application, in accordance with the following schedule:

-------------------------	---	-------------------------

10,001 to 20,000 persons	-	4 months prior to event
10,000 persons and less	-	<u>23</u> months prior to event.

No extension of the time periods set forth herein shall be permitted unless such extension is granted by the Borough Council, at its sole discretion, upon written request and appearance before the Borough Council, and upon a showing of good cause in support thereof. In granting an extension, the Borough Council may, at its sole discretion, impose an additional fee not to exceed One Hundred and 00/100 (\$100.00) Dollars per day.

~~The time periods set forth in this Section shall become effective as of January 1, 2013. Any event to be scheduled on or before December 31, 2012, shall file the permit applications, along all supporting documentation, no later than two (2) months prior to the event, no matter the size of the event; with all other terms and requirements of this Ordinance to remain applicable.~~

- b. All permit applications shall be accompanied by a nonrefundable fee in an amount in accordance with the following schedule; **which is in addition to any permit or inspection fee that may be required by law:**

## Handwashing Facility Set-up

The most common cause of contamination during food preparation and serving is unclean hands. For this reason, hand washing facilities are a must. Facilities must be designed to provide unaided, easy hand washing under a continuous flow of running water. Water spigots of the push-button type will not be allowed.

### Steps of Handwashing

1. Wet hands.
2. Apply soap.
3. Briskly rub hands for at least ten (10) seconds.
4. Scrub fingertips and between fingers.
5. Scrub forearm to just below elbow.
6. Rinse forearms and hands.
7. Dry hands and forearms with a disposable paper towel.
8. Turn off water with paper towel.
9. Discard paper towel.

## Kitchenware Washing Procedure

After washing, rinsing, and sanitizing, items may be air dried or wiped dry with disposable towels and should then be stored in a clean place.

Provide appropriate sanitizer test strips and use them to monitor the concentration of the sanitizing solution. (If using bleach, maintain the chlorine concentration between 50 and 100 parts per million; this is approximately 1 T. bleach per 1 gallon water.)

*Unscented* chlorine bleach may be used to sanitize kitchenware. Other acceptable sanitizers include quaternary ammonia and iodine.

All wastewaters must be disposed of properly, to either a sanitary sewer or drainfield.
